WHAT WE COLLECT AND HOW WE COLLECT IT

We collect two categories of information from visitors to this website:

1. Automatic Information Collection. We automatically collect certain information from you by analyzing your use of the website, such as your IP address, browser type, pages accessed, and duration of visit. This information does not necessarily enable us to personally identify you, and that is not our intention.
2. Collection of Voluntarily Provided Information. We collect personally-identifying information that you voluntarily provide to us by registering on the website as a Supporter.

USE OF INFORMATION

Utah Clean Energy uses your personally identifiable information, including but not limited to your email address and zip code, to provide you the services that you requested in the Commitment Survey. We may also send you promotional information, like invitations to special events unless you have opted out of these types of communications from Utah Clean Energy, and use your personally identifying information to enhance the operation of our website and administer our systems. The information is also used to contact you when reasonably necessary. Utah Clean Energy may also use any information you have entered into the website as reasonably necessary to administer or provide customer support for the website, including to send you administrative messages related to any services or products requested by you.

DISCLOSURE OF INFORMATION

Utah Clean Energy may disclose your personally identifiable information to others in the following ways:

Utah Clean Energy uses certain third party vendors (e.g., data storage and processing facilities) to assist us in providing our services. Utah Clean Energy may transfer your personally identifiable information to such vendors who have entered into a contract with us that protects the confidentiality of your information and permits the vendor to use it only as reasonably necessary to fulfill its contract with Utah Clean Energy.

We may also disclose your personally identifiable information as we believe is reasonably necessary to comply with law, regulation or other governmental authority, or to prevent harm to yourself or others.

LINKS

For your convenience, we may provide links to other websites, products, or services that are not owned or operated by Utah Clean Energy. If you choose to visit a non-Utah Clean Energy website or use non-Utah Clean Energy products or services, please be aware that Utah Clean Energy's privacy policy will NOT apply to your activities or any information you disclose while interacting with

the provider of any non-Utah Clean Energy website, products, or services. Additionally, in linking to another website, Utah Clean Energy is not endorsing any third-party organization or its beliefs or any content on the linked website.

NO COLLECTION OF INFORMATION FROM CHILDREN

We do not knowingly collect personally identifiable information relating to children. In the event that we learn that we have collected personally identifiable information from anyone under 13 years of age without prior parental consent, we will take steps to promptly delete such information. By providing your personal information to Utah Clean Energy through this website, you represent that you are 13 years of age or older.

INTERNATIONAL VISITORS

This website is hosted in the United States and is generally intended for United States visitors. If you are visiting from the European Union or other regions with laws governing data collection and use that may differ from U.S. law, please note that you are transferring your personal data to the United States, which does not have the same data protection laws as the EU. By providing your personal data you consent to the use of your personal data in accordance with this privacy policy, including the transfer of your personal data to the United States.

SECURITY

Utah Clean Energy employs procedural and technological measures, consistent with legal requirements and the demands of customer service, that are reasonably designed to protect your personal information from loss, misuse, or unauthorized access, disclosure, alteration, or destruction. Please note, though, that no data transmissions over the Internet can be guaranteed to be 100% secure. Consequently, we cannot ensure or warrant the security of any information you transmit to us, and you do so at your own risk.

CHANGES AND UPDATES

We may occasionally update this privacy policy. When we do, we will also revise the "last updated" date at the beginning of the policy. We encourage you to periodically review this privacy policy to stay informed about how we are using and protecting the information we collect. Your continued use of this website constitutes your agreement to Utah Clean Energy's then-current privacy policy.
